

Community Patron/Ambassador

Can you help us to connect with our local communities? Many people who like to support our work, for example donation collections, and are often unable to get to the rescue to do so. This is where our new community patrons and ambassador roles come in and where you could help!

How you will be helping us:

- connect with shops and businesses to aid with donations
- Approach local groups, schools and businesses to arrange talks with our education co-ordinator
- Arrange and manage donation drop off points and bring items to the rescue.
- Share the charities social media posts within local community groups.
- Keep an eye out for local events and make our events coordinator aware.
- Assisting with our stall at shows and events

What we will provide:

- Marketing material, Posters (we can print and laminate for you if required).
- Leaflets about the charity and hedgehog care.
