

Volunteer Driving

Would you like to be a volunteer driver and drive hedgehogs to and from various places around Scunthorpe?

We need people to pick up injured or sick hedgehogs and bring them to the hospital and to drive rehabilitated hedgehogs to release sites. You could also volunteer to collect food, newspapers and donation tins.

There is no minimum time commitment or any set hours. Rescues or drives needed are posted on the Volunteer Driver WhatsApp group and available drivers respond and are passed details.

You need to have your own transport and please check with your insurer that you are covered for volunteer driving. You will be covered by our public liability insurance. Please note we are not able to cover milage expenses.
